

Food & Drinks MSC

The Manly Sailing Club (MSC) is excited to present a vibrant Social Calendar designed to bring enjoyment to all sailors, their families, and volunteers.

All social events will be held at the Manly Bowling Club, conveniently located just a short walk from MSC and near Boat Park 2, where the competitor rigging area is situated.

While Manly area offers a variety of dining options, some within walking distance and others requiring a short drive, many restaurants close or become extremely busy during the Christmas season.

We will have food and drink available for purchase after sailing.
