

Manly Sailing Club (MSC) is pleased to be able to offer, what we hope will be, an enjoyable Social Calendar for all sailors, sailor’s families and volunteers.

All Social activities will take place at the Manly Bowling Club, which is just a short walk from MSC and very close to Boat Park 2 where the competitor rigging area is.

Over the New Year period some of the local eateries on certain days, could either be closed or very likely fully booked. Therefore, the event organisers have made the decision to offer competitors a daily meal option, provided each day by an outside professional caterer. This will be accompanied by **Happy Hours** on certain days (see details below), where some of our wonderful sponsors will be shouting a free drink. There will also be some fun stuff to enjoy while you are having a drink and enjoying some delicious food. It is essential to book your meal tickets in advance and if possible, **NO LATER THAN 1st DECEMBER 2024**, to ensure we can give our caterers accurate numbers before the Christmas break. **Booking meals when you arrive at the event will NOT be an option.**

We know sailors will be hungry as they leave the water, so the meals will be available soon after de-rigging at the Bowling Club.

If you have already completed the registration process for the event, do not worry. It is still possible to book meal tickets for you and your guests by returning to Race Roster and viewing the meal options in the “STORE”. Select each one individually, make your choices and quantities and then add them to your cart. When finished, simply complete the checkout process and your done! We will have your meal tickets ready for you in your welcome packs at registration.

A Big thanks goes to the Spit Roast Company for agreeing to be our official food supplier for the event.

When registering to enter the Oceania Champs and Moth Worlds in Race Roster, you will also see the meal options. The link for Race Roster is provided below. (Click the logo)
